

New Source Review newspaper advertisements for construction permit applications, November 30, 2006. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: November 28, November 29, or November 30, 2006. Public notices are generally published every two weeks. The previous publication of public notices was November 14 – 16, 2006.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is Schering-Plough HealthCare Products with a mailing address of P.O. Box 2850, Cleveland, TN 37320. They seek to obtain an air contaminant permit (Division identification number: 06-0167-08/60439) for modification of a Fuel Burning Installation located at 4207 Michigan Avenue Road NE, Cleveland, TN 37320. This existing operation consists of six (6) small natural gas-fired boilers with a total heat input of 33.0 million BTU per hour and associated equipment used to generate steam for use in making health care products. Two boilers are used as backup units and number 2 fuel oil is used as standby fuel. The requested modification is to allow an additional 10.5 million BTU per hour natural gas-fired boiler operation. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants are emitted by this source. Mr. Robert Benjamin is the assigned Division person.

For the Bradley County "Cleveland Daily Banner"--published once on or before Thursday, November 30, 2006.

The applicant is Cloud Nine Enterprises with a mailing address of 135 Moreland Road, Moreburg, TN 37811. They seek to obtain an air contaminant permit (Division identification number: 29-0042-01/60342) for construction of a Concrete Batch Plant at Highway 92 and Cherokee Explosives Drive, Jefferson City, TN 37760. This proposed operation would consist of a concrete batch plant, silos, and associated equipment used to produce concrete ready mix. A baghouse would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Jabari Martin is the assigned Division person.

For the Hamblen County "Citizen Tribune"--published once on or before Thursday, November 30, 2006.

The applicant is Al's Garden Art Inc. with a mailing address of 1027 Industrial Park Road, Columbia, TN 38401. They seek to obtain an air contaminant permit (Division identification number: 60-0203-01/60363) for construction of a Surface Coating Operation at the same address. This proposed operation would consist of two (2) spray booths. Exhaust filters would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Jim A. Attar is the assigned Division person.

For the Maury County "Daily Herald"--published once on or before Thursday, November 30, 2006.

The applicant is Aluminum Racing Products with a mailing address of P.O. Box 540, Greenbrier, TN 37073. They seek to obtain an air contaminant permit (Division identification number: 74-0180-01/60470) for a Resin Application Operation located at 2308 Industrial Drive, Greenbrier, TN 37073. This existing operation consists of an application station and associated equipment used to apply resin and gelcoat to automobiles. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. M. Reynolds is the assigned Division person.

For the "Robertson County Times"--published once on or before Thursday, November 30, 2006.
